**TO OUR CUSTOMERS:**

The business you have given us is deeply appreciated, and we will continue to do our best to serve you well.

We have had good growing conditions this year, and should have quality plant materials to offer you. However, strong early demand has already sharply reduced our salable inventory, so that we will have a limited amount to offer for sale to the trade generally on some prime items.

We can serve you best if you will write us about your needs early.

Cordially yours,
